Simplicity, Safety, and Effective Giving

It is not necessary to write checks, stuff envelopes, and waste stamps. Your financial institution can arrange an automatic, monthly contribution to the Texas Heritage League which will significantly reduce the hassle-factor of making regular contributions and provide the assurances that your gift will arrive at the right place, on time.

100% of your tax-deductible contributions to the Texas Heritage League will be used for the documentary film on Sam Houston if so designated. Please call (281) 703-6391 or send an email to: support@thesamhoustonproject.net for more information. We need friends we can count on every month, and you may increase, decrease, or suspend your monthly contributions at any time.
